

# YOUR 50 WORD BIO

The 50 word bio is a brief summary of your manifesto\*. It's used to tell voters why they should vote for you and what you would do if you were elected. The bio will be included along with your photo in the candidate leaflet, which you can use to promote yourself during the voting period.

**The deadline for the bio is the 21 February at 17:00.**

If you are unable to attend the candidate photography session at The Union on 24 February, you will need to submit your own professional photo by 17:00 on the same day.

\*Your actual manifesto doesn't need to be all done and dusted before writing these 50 words.

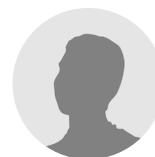

An example of the bio can be seen below:
