Candidate Team Name	
<p>I am highly passionate about student sport and actively involved as a member of the University Boxing Society, which has given me first-hand experience of the impact that sport can have on student wellbeing, community and engagement. Through this involvement, I understand the importance of strong representation, effective organisation and supportive structures for clubs and sub-groups. I am motivated to help develop opportunities and partnerships that enhance the student experience, and I am particularly keen to support student volunteers and campaigners in building an inclusive, well-organised and sustainable sports culture within the Sports Council.</p>
