Andy Young NO#1 VP Cheshire

Thank you for taking you time to read my Manifesto!  
My name is Andy Young and I am the current activities officer for the Cheshire campus and when I was a student I was a course rep for 3 years and coach, captain and chairman of the rugby league club in Cheshire. I have been a national rugby league player and coach for 20 years and have huge passion for the University especially on the Cheshire campus.

# My Manifesto

I am running for the role of Vice President Cheshire.

My key point for my campaign is to provide students support on campus in a time of uncertainty. I will do this by:

- Continue to lobby the university to ensure the teach out plan is delivered as effectively as possible. Through ensuring that regular meetings are taking place with course reps and lecturers.
- Working closely with the Course Rep Support staff member to give all course reps the training and guidance they need.
- Ensuring there are no reduced hours to facilities on campus.
- Provide students with as much support as possible via the promotion of project Cheshire and Student Union guidance.
- I will be an active presence on campus taking time out of my work week to talk to you the student about the problems that are facing you!
- Promoting the services that the advice centre provides.
- To ensure sports provisions are available on campus so Cheshire students have to opportunity to play sport in Cheshire in 2018-19.
- Provide students the opportunity to travel to Manchester to play sport if they want to.
- To ensure that the legacy of Cheshire continues with societies only found on our campus being given the opportunity to advertise and form their societies up in Manchester.
- Lobby the university to allow students to have a Microwave to allow them to bring their own meals onto campus.
- Advertisement for performance students (DCA).
- Make the library accessible for non-traditional students.
- I will work with external partners for audience members and participants for DCA, ESS and IDS students.

Remember that voting week is 9<sup>th</sup>- 15<sup>th</sup> of March and that voting Andy Young VP Cheshire and the rest of MMU4U to secure six passionate officers who will put you and your ideas first!
