<p><u>Why I'm Running for President:</u> Over the past year as your Current Wellbeing Officer, I've had the privilege of working closely with YOU across Manchester Met – through sports clubs, societies and talking to you throughout our campus. I've had the privilege of working alongside our sports teams on Mental Health throughout Novemember, disabled students on campus accessibility and with other student unions and local government to improve Transport & Housing across Greater Manchester. <i>But that work has made one thing clear: understanding issues is only the first step.</i></p> <p>As your Current Wellbeing Officer, my responsibility has been to listen to YOU and make sure YOUR voice is heard. The role of President, however, is where those voices can be turned into action. This is not a fresh start, but the next step, and only together can we achieve REAL CHANGE.</p> <p><u>My Priorities as YOUR next President:</u></p> <p>Wellbeing Rep in EVERY Sports Club & Societies: One of the biggest barriers students face when they're struggling is reaching out in the first place. After working closely with <u>Sports Clubs</u> in Novemember – and seeing wellbeing roles exist in some societies – it's clear that having a familiar face can make that first conversation when you're struggling far less intimidating. I want to embed this into EVERY society and sports club, so no student is left behind.</p> <p>Improved Campus Accessibility: After going around campus using a wheelchair with a disabled student, I saw firsthand the barriers disabled students are expected to navigate every day. As President I will <u>push the university to address these key accessibility issues.</u></p> <p>More Decisions Shaped by YOU: Too often, students are asked for feedback without seeing what changes as a result. As President, I will work to ensure your experiences and views actively shape everyday decisions at the university – by working closer with YOU every step of the way!</p> <p>VOTE GEORGE FOR PRESIDENT – FOR A UNIVERSITY THAT HAS YOUR BACK @MMU_GEORGE_FOR_PRESIDENT (Instagram)</p>
