

MMU Sport Colours

This award recognises students who have provided an outstanding contribution to running and developing their sport club, or to advancing student sport at MMU.

This prestigious award will be presented to students who have demonstrated the MMU Sport behaviours, and been excellent role models for sport.

The nominees must be:

- + A final year student
- + A positive ambassador for MMU Sport

Nominees are eligible if they have met one of the following criteria consistently:

- + Shown exceptional commitment to their club for a period of 2 years or more, either as a committee volunteer or an active member of the club. This could be through fundraising, campaigning, inclusivity, coaching, officiating or another behaviour that is 'above and beyond' their role.
- + Shown exceptional commitment to a role through MMU Sport Volunteering. This could be internal roles with MMU Sport, or through external partners and charities in the local community.
- + Shown exceptional commitment to advance significantly the MMU Sport programme of sport and physical activity.

Students and staff can nominate for this award.
